

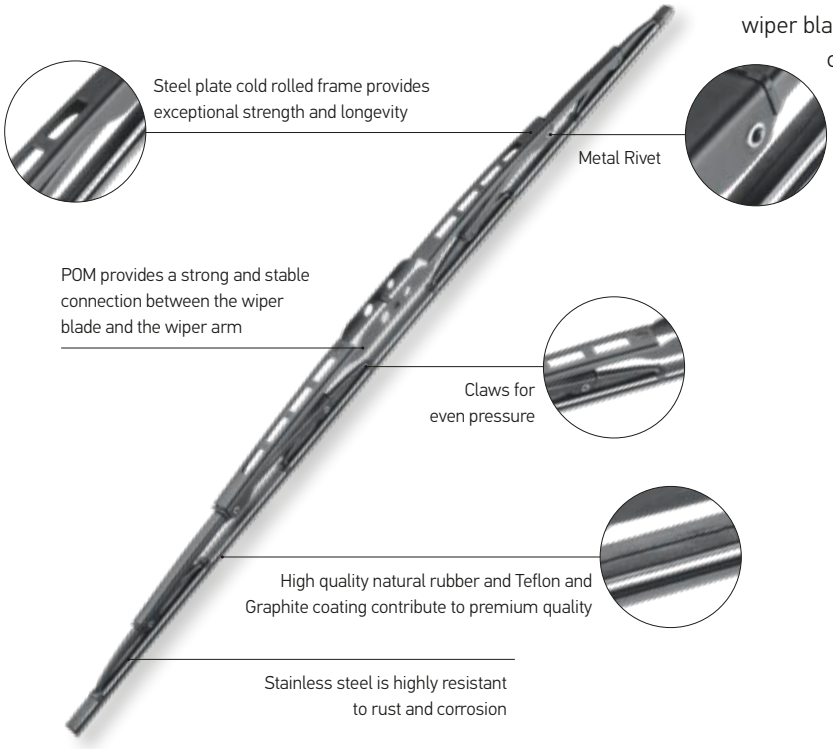
BRIEF INFORMATION

Heavy Duty Wiper

→ Built tough
→ Longlife performance
→ Spray bar included (for certain part numbers)

PRODUCT FEATURES



Large, robust vehicles require equally robust wiper blades. That's why only high-quality steel was used for the HELLA wiper blades. In addition, the blades have been specially coated for a longer lifetime, meaning that the wiper blades do not need to be changed so often. Some variations have a spray bar included, giving extra wash and wiping performance on the windscreen.
