## PRODUCT FEATURES

The Black Magic Cubes from Hella are available in two sizes, 2.7" and 3.2". The entirely dark appearance and the slim design make this lamp stand out from the crowd. Black Magic Cubes comply with the highest dust and water resistance class. They are supplied in sets of two headlamps, including a wiring harness with DT connector, switch, connector and relay, making them easy to install. The scope of delivery of the individual headlamps includes a 500 mm cable with DT connector. The 3.2" variant is available as a floodlight or spotlight and is suitable for upright or pendant mounting or can be integrated into the bodywork or bumper. Black Magic Cubes by Hella are the ideal companions for your next adventure.
